SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance:

- replaces a plan of group disability income insurance provided to You by the Policyholder; or
- replaces a Prior Plan of group disability income insurance provided to You by a former employer; when the replacement results from the Policyholder's acquisition of, merger with or other combination with that employer.

Prior Plan means the plan of group disability income insurance provided to You by the Policyholder through another carrier on the day before the Replacement Date.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are not Actively at Work on such date because You are Disabled, and the Prior Plan that You were covered under on the day before the Replacement Date was an insured plan**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date. However, if the Prior Plan that You were covered under on the day before the Replacement Date was a self-funded plan, You will become insured for Disability Income Insurance under this certificate on the date You return to Active Work.

We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

Benefit payments for such Disability will end on the earliest of:

- the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
- the date that payments would have ended under the provisions of the Prior Plan of Insurance.
- **If You are not Actively at Work on such date for any other reason**, You will become insured for Disability Income Insurance under this certificate on the date You return to Active Work, provided however, if You are on an Employer approved leave of absence on the Replacement Date, You will become insured for Disability Income Insurance on the Replacement Date. However, Your insurance under this certificate will end on the date Your approved leave of absence ends if You do not return to Active Work on such date.

Rules for When Insurance Takes Effect if You were Not Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when You meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

Rules for Pre-existing Conditions

In determining whether a Disability is due to a Pre-existing Condition, We will credit You for any time You were insured under the Prior Plan. If Your Disability is due to a Pre-existing Condition as described in this certificate, but would not have been due to a pre-existing condition under the Prior Plan, We will pay a benefit equal to the lesser of:

- the benefit amount under this certificate; or
- the disability income insurance benefit that would have been payable to You under the Prior Plan.

If Your Disability would have been due to a pre-existing condition under the Prior Plan, it will be treated as having been caused by a Pre-existing Condition under this certificate.

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan ("Prior Plan's disability");
- returned to work as an active Full-Time employee prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan's disability;
- are no longer entitled to benefit payments for the Prior Plan's disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Employer for information regarding such legally mandated leave of absence laws.

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Monthly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews or functional capacity exams, as needed.

While You are Disabled, the Monthly Benefit described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Monthly Benefit on the date which occurs on the first day of the month after the date benefits begin to accrue. We will make subsequent payments monthly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each month.

Unless You have assigned this insurance, We will pay Monthly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Monthly Benefits, You will not be required to pay premiums for the cost of any disability income insurance defined as Contributory Insurance.

If benefits have been assigned, We will pay benefits in accordance with the Assignment provision of the General Provisions section.

RECOVERY FROM A DISABILITY

If You return to Active Work, We will consider You to have recovered from Your Disability.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group long term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period for a period of 90 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 90 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after completing Your Elimination Period for a period of 180 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

If You return to Active Work for a period of more than 180 days and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work includes all of the continuous days which follow Your return to work for which You are not Disabled.

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. We will do so before We reduce Your Monthly Benefit by any other income.

Work Incentive

While You are Disabled, We encourage You to work. If You work while You are Disabled and receiving Monthly Benefits, Your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Monthly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Monthly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Monthly Benefit will not apply.

Limit on Work Incentive

After the first 24 months following Your Elimination Period, We will reduce Your Monthly Benefit by 50% of the amount You earn from working while Disabled.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to \$400 for monthly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
 - living with You as part of Your household;
 - dependent on You for support; and
 - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)

- care to Your family member who is:
 - living with You as part of Your household;
 - chiefly dependent on You for support; and
 - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a monthly basis starting with the first Monthly Benefit payment until You have received 24 Monthly Benefit Payments. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

Moving Expense Incentive

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You receive or are eligible to receive because of Your disability or retirement under:
 - Federal Social Security Act;
 - Railroad Retirement Act;
 - any state, public or federal employee retirement or disability plan. You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan; or
 - any pension or disability plan of any other nation or political subdivision thereof.
2. any income received for disability or retirement under the Employer's Retirement Plan, to the extent that it can be attributed to the Employer's contributions.
3. any income received for disability under:
 - a group insurance policy to which the Employer has made a contribution, such as:
 - benefits for loss of time from work due to disability;
 - installment payments for permanent total disability;
 - a no-fault auto law for loss of income, excluding supplemental disability benefits;
 - a self-funded plan, or other arrangement if the Employer contributes toward it or makes payroll deductions for it;
 - any sick pay, vacation pay or other salary continuation that the Employer pays to You;
 - workers' compensation or a similar law which provides periodic benefits;
 - occupational disease laws;
 - laws providing for maritime maintenance and cure;
 - unemployment insurance law or program.
4. any income that You receive from working while Disabled to the extent that such income reduces the amount of Your Monthly Benefit as described in REHABILITATION INCENTIVES. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source.
5. recovery amounts that You receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise including future earnings.
6. accumulated sick time, which causes the Monthly Benefit, plus Other Income Benefits to exceed 100% of Your Predisability Earnings. The amount in excess of 100% of Your Predisability Earnings will be used to reduce the Monthly Benefit.

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR FEDERAL SOCIAL SECURITY BENEFIT

If there is a reasonable basis for You to apply for benefits under the Federal Social Security Act, We expect You to apply for such benefits.

To apply means to pursue such benefits until You receive approval from the Federal Social Security Administration, or a notice of denial of benefits from an administrative law judge. We will reduce the amount of Your Disability benefit by the amount of Federal Social Security benefits We estimate that You, Your Spouse or child(ren) are eligible to receive because of Your Disability or retirement. We will start to do this after You have received 24 months of Disability benefit payments, unless We have received:

- approval of Your claim for Federal Social Security benefits; or
- a notice of denial of such benefits indicating that all levels of appeal have been exhausted.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT (continued)

You must, within 6 months following the date You became Disabled:

- send Us Proof that You have applied for Federal Social Security benefits;
- sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance; and
- sign a release that authorizes the Federal Social Security Administration to provide information directly to Us concerning Your Federal Social Security benefits eligibility.

If You do not satisfy the above requirements, We will reduce Your Disability benefits by such estimated Federal Social Security benefits starting with the first Disability benefit payment coincident with the date You were eligible to receive Federal Social Security benefits.

If You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability Benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement. If the attorney fees are incurred because of Your successful pursuit of Social Security disability benefits, such fees are limited to those approved by the Social Security Administration;
- group credit insurance;
- mortgage disability insurance benefits;
- early retirement benefits that have not been voluntarily taken by You;
- veteran's benefits;
- individual disability income insurance policies;
- benefits received from an accelerated death benefit payment; or
- amounts rolled over to a tax qualified plan unless subsequently received by You while You are receiving benefit payments.

DISABILITY INCOME INSURANCE: DATE BENEFIT PAYMENTS END

Your Disability benefit payments will end on the earliest of:

- the end of the Maximum Benefit Period;
- the date benefits end as specified in the section entitled LIMITED DISABILITY BENEFITS;
- the date You are no longer Disabled;
- the date You die except for benefits paid under section entitled ADDITIONAL LONG TERM BENEFIT: SINGLE SUM PAYMENT IN THE EVENT OF YOUR DEATH;
- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date following 12 consecutive months of Disability for which You were entitled to receive Monthly benefit payments while You are living outside of the United States or Canada;
- the date You fail to seek restoration of a required FAA Medical Certificate to work or fail to do anything else reasonably requested to facilitate Your Return to work;
- the date any loss of license benefits are terminated as a result of Your failure to provide proof of loss as required under the Southwest Airlines loss of license plan;
- the date You are considered fit for duty due to Class 1 Federal Aviation Administration (FAA) guidelines that require You to pass necessary exam and training; or
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE

ADDITIONAL LONG TERM BENEFIT: SINGLE SUM PAYMENT IN THE EVENT OF YOUR DEATH

If You die while You are Disabled and You were entitled to receive Monthly Benefits under this certificate, Proof of Your death must be sent to Us. When We receive such Proof, We will pay the benefit described in this section.

BENEFIT AMOUNT

The benefit amount will be equal to 3 times the lesser of:

- the Monthly Benefit You receive for the calendar month immediately preceding Your death;
- the Monthly Benefit You were entitled to receive for the month You die, if You die during the first month that Disability benefits are payable.

We will reduce the benefit amount by any overpayment We are entitled to recover.

Benefit payments will be made as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

DISABILITY INCOME INSURANCE: PRE-EXISTING CONDITIONS

Pre-existing Condition means a Sickness or accidental injury for which You:

- received medical treatment, consultation, care, or services; or
- took prescribed medication or had medications prescribed;

in the 3 months before Your insurance under this certificate takes effect.

We will not pay benefits for a Disability that results from a Pre-existing Condition if You have been Actively at Work for less than 12 consecutive months after the date Your Disability insurance takes effect under this certificate.

DISABILITY INCOME INSURANCE: LIMITED DISABILITY BENEFITS

For Disability Due to Alcohol, Drug or Substance Abuse or Addiction

If You are Disabled due to alcohol, drug or substance abuse or addiction, We will limit Your Disability benefits to each period of Disability per occurrence. During Your Disability, We require You to participate in an alcohol, drug or substance abuse or addiction recovery program recommended by a Physician.

We will end Disability benefit payments at the earliest of:

- the date You receive 18 months of Disability benefit payments;
- the date You cease or refuse to participate in the recovery program referred to above; or

For purposes of this provision, Mental Health Facility means a facility licensed in the jurisdiction in which it is located to provide care and treatment for a Mental or Nervous Disorder or Disease. Such facility must provide care on a 24 hour a day basis under the supervision of a staff of Physicians, and must provide a broad range of nursing care on a 24 hour a day basis by or under the direction of a registered professional nurse.

ADMINISTRATION OF LIMITED DISABILITY BENEFITS FOR DISABILITY DUE TO MENTAL AND NERVOUS DISORDERS OR DISEASES.

If no exception above applies, and You are Disabled as a result of more than one injury or Sickness for which Disability benefits are payable under this certificate, each of which are subject to the provisions of the Limited Disability Benefits section, the benefit limitation periods will run concurrently for all such conditions.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than 12 weeks after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When a claimant files an initial claim for Disability Income Insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to Us within 90 days after the end of the Elimination Period.

Notice of claim and Proof for Disability Income Insurance may also be given to Us by following the steps set forth below:

5. Your estate, if there is no such surviving sibling(s).

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Any periodic payments owed to Your estate may be paid in a single sum.

Misstatement of Age

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

GENERAL PROVISIONS (continued)

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Physical Exams

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

GENERAL PROVISIONS (continued)

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

Lien and Repayment

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment received at a future date for the same Disability for which benefits are payable under this certificate, settlement, payment for Social Security Disability or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability, subject to the recovery limits set forth in Tex. Civ. Prac. & Rem. Code section 140.005. Our right to receive reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability, subject to the recovery limits set forth in Tex. Civ. Prac. & Rem. Code section 140.005. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

- notifying Us as soon as possible of any payment You receive or are entitled to receive from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate;
- furnishing of documents and other information as requested by Us or any person working on Our behalf; and
- holding in escrow, or causing Your legal representative to hold in escrow, any proceeds paid to You or any party by a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate, up to an amount equal to the benefits paid to You under this certificate for such Disability, subject to the recovery limits set forth in Tex. Civ. Prac. & Rem. Code section 140.005, to be paid immediately to Us upon Your receipt of said proceeds.

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.

**THIS IS THE END OF THE CERTIFICATE.
THE FOLLOWING IS ADDITIONAL INFORMATION.**

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again.

Return-to-Work Services

As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities. There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications/Accommodations

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

Social Security Assistance Program

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability. There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids Reduced Retirement Benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

SPECIAL SERVICES

Over a period of years, the net effect of these cost-of-living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge

3. Social Security Attorneys

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Early Intervention Program

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).

SPECIAL SERVICES

6. Providing analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities. This program also includes modifications to help you perform your job or a similar job as required of your employer under the Americans with Disabilities Act (ADA). It also includes an on-site ergonomic evaluation of work conditions to assist you in returning to work. If MetLife agrees that job modifications are likely to help you remain at work or return to work we may also agree (with your consent) to reimburse your employer for the cost of such modifications up to an amount agreed to between MetLife and your employer.

Our assistance is offered at no cost to either you or your employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.

CLAIMS INFORMATION

Disability Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

Claim Submission

For claims for disability benefits, the claimant must report the claim to MetLife and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described in the "Filing A Claim" section of the certificate.

Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for disability benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUTURE OF THE PLAN

It is hoped that This Plan will be continued indefinitely, but Southwest Airlines Pilots Association reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of Southwest Airlines Pilots Association shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
